NEW AT THE LIBRARY!

2013 was an extremely busy and productive year for the library, and 2014 is shaping up to be the same – busy enough, in fact, that we didn't get this list of last year's accomplishments out until March 2014!

Perhaps the most noticeable improvement to the Library in 2013 was the colorful new carpeting in the Youth Services Department. Combined with new shelving for portions of the collection, reconfiguration of the play area, and new toys and furnishings, the entire department has truly been revitalized! But that wasn't all that happened at MGPL in 2013; here are just some of the other highlights of the year:

- **New Audio-Visual area** in the Adult department, bringing all AV materials together in one location for the first time in over 30 years.
- **Book a Librarian** service, providing one-on-one technology training sessions on iPad, e-books, Windows 8, Microsoft Office, and more.
- **New and expanded story times** and other programs for children.
- **Mobile web site**, making many library services more easily accessible from smartphones or tablets.
- **iPads filled with fun apps for kids** in the Youth Services department.
- Ability to receive hold and overdue notices via **text messaging**.
- **Popular TV series** on DVD added to the collection.
- **New projection system** enabling us to shows films in HD quality.
- **E-pay,** a convenient online payment system for library charges.
- Introduction of popular Friday after-hours program series, **MGPL After Dark.**
- **Trivia Night** programs.
- **New film programming**, including a film critic series and Reel Film Fans Club.
- Implemented **Every Child Ready to Read**, an early literacy framework, to enhance story time sessions, including workshops at the ELL Parent Center.
